Subject: Banning of Forced Molting of Layer Hens

Docket Number: 98P-0203/CP

Dear Mr. Jaffe,

As a new People for the Ethical Treatment of Animals (PETA) member, I was appalled and disgusted to learn about the forced molting of layer hens which is presently legal in this country.

I wholeheartedly support the petition to ban this practice in the country. My family of five has stopped eating eggs, and I have initiated an awareness campaign in my community about this situation.

I look forward to learning that this practice has been outlawed in this country.

Thank you.

Sincerely,

Darlene Cerullo
